

Mobile Live Agent

Web Agent -> Mobile Agent

The left screenshot shows a 'Home / Agent Monitoring' dashboard with a 'QUEUE' and 'HANDLE' section. It lists several agents with their names, roles, and completion percentages. The right screenshot shows a chat interface where a user asks for car suggestions based on a budget of Rp 200. The chatbot responds with a list of suggestions and a video of a red car.

Agent Name	Role	Completion %
P	Sedan	98%
Yulianto	Halo Yulianto tagihan anda akan jatuh tempo pada 7 Juli...	100%
Robby Kurniawan	Halo Robby Kurniawan tagihan anda akan jatuh tempo pada 7...	100%
Admin2	Lokasi Dealer kami di : 1. Jakarta Pusat - Gedung Thamr...	100%
Patricia Rubena	line-template	100%
Rio W. Ismail	Saya ga punya surat nikah	

The right screenshot shows a mobile WhatsApp chat interface. The chat history includes messages from 'Techy' offering a free sample of software and asking for feedback. The user responds with a smiley face and says they will consider it once launched. The chat input field and the microphone icon are highlighted with a yellow box.
